CHALET DES CRISTAUX

Luxurious Ski chalet in Chamonix

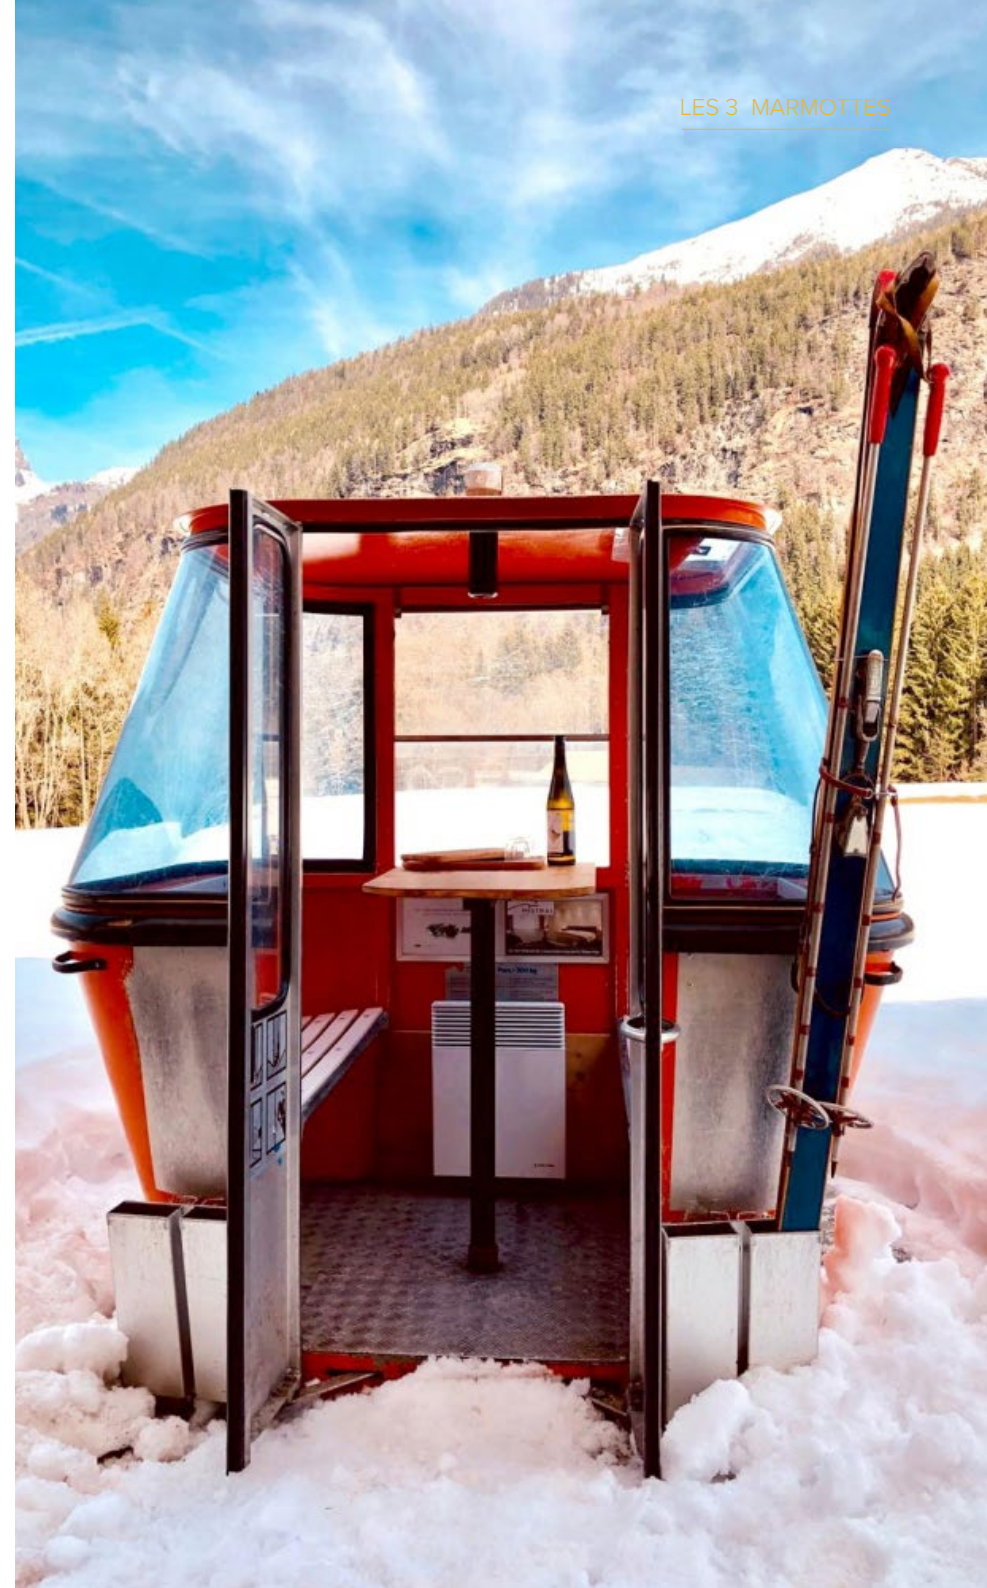

An absolutely superb luxury winter & summer mountain chalet situated within an easy walk of Les Houches ski area. The chalet has an indoor swimming pool (with a moving floor to adjust depth or convert it to a dance floor) and an outdoor jacuzzi placed in beautifully landscaped gardens offering magnificent views of the surrounding mountains. The gardens also feature a unique sauna in an independent “mazot” or small chalet. Inside the property features a large cinema and a playroom with arcade games.

Chalet 3 Marmottes boasts no less than 350m² of luxurious but cosy living space laid out over 3 floors where every corner displays exquisite taste and style. Special attention has been given to lighting all through the chalet creating a relaxing ambiance through the day. This truly sets new bounds of luxury living in the Chamonix Valley.

The large living room with its high vaulted ceiling features a grand central fireplace with a traditional wood constructed hood, a 4-side see-through foyer and a Mont Blanc granite stone base. Its large bay windows let a lot of natural light in and give an even more impressive sense of space, allowing different atmospheres that change with the different times of the day.

The dining area has a large table made of oak and stone, placed in the continuity of a kitchen island, allowing to configure the space in many ways. There again, all was well studied and the fully equipped kitchen is discrete, functional and beautiful at the same time, offering an amazing space for your private chef to prepare your favourite meals.

All bedrooms are set in a modern decor of wood and local stone, inspired by the mountains, with custom-made furniture in the same spirit. Each bedroom has its own TV, private shower room and Japanese toilet. Towels, bathrobes and shower products are at your disposal for your comfort. Depending on the aspect, each of the rooms offers panoramic views over either the mont blanc massif or the fiz range.
