CHALET FREYA

Luxury Chalet in idyllic private location

Chalet Freya is a prestigious brand new chalet of approximately 400m² of living space and 70m² of terraces and balconies located in a private area at the upper part of the Chamonix valley, in Argentière.

The situation and orientation of the chalet are exceptional: with its large garden of 2,570m², in a calm environment. Facing south, the chalet offers an unobstructed view of the entire Mont-Blanc massif. It adjoins the forest which allows you to take advantage of the hiking trails directly from the door. The famous Grands-Montets ski resort with its exceptional skiing is a 10-minute walk away and the old village of Argentière is not much further. Finally, the chalet is located a few minutes' walk from a beginner's ski area, the Argentière cross-country ski loop and, one of the best bakeries in the Chamonix valley!

The design of spaces in the chalet ensures optimal privacy: Chalet Freya is arranged on 3 levels, has 4 double bedrooms and one twin each with its own bathroom and can accommodate up to 10. It has been decorated with refined and timeless materials and displays a modern and warm style that will offer all the comfort of an exceptional property.

Chalet Freya is an exceptional place to relax and recharge, while spending quality time with family or friends. It is available to rent on a self-catered basis (full concierge service and cleaning are included in this formula) or on a fully-catered basis.
